

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

PROTECTIVE SAFEGUARD ENDORSEMENT

This endorsement modifies insurance provided under the following:

CONTRACTORS' EQUIPMENT COVERAGE FORM

The following is added to section **XIII.**, Conditions:

Protective Safeguards

"You" are required to maintain, at all times during the policy period, the protective safeguard(s) and/or system(s) marked and described below:

- Maintain properly working Underwriter's Laboratories approved fire suppression equipment of proper size and type for operations being performed. Fire suppression equipment is within unobstructed reach on all covered property and at all fueling locations;
- Keys removed from unattended or stored equipment and locked in a security box;
- Storage of the covered property in a locked garage, building, or enclosed well-lighted security grade fenced area during non-working hours;
- Storage of covered property off a trailer so as not to be ready to be hauled away;
- Storage of covered property in a locked cabin or enclosure of good construction when not in use;
- Use of one or more of the following when covered property is not in use:
 - Tire locks
 - Locked hood side plates
 - Lockable electrical switches
 - Protective covers for window glass
 - Locked steering wheel devices
 - Locking filler caps (gas, oil, hydraulic fluids)
 - Protective covers for gauges
 - All operating levers and handles locked in place;
- Use of electronic alarms when not in use;
- Use of trailer ball or trailer axel locks when trailer is not in use;
- Use of pad lock shields;
- All of "your" owned covered property have double stamped ID numbers, one conspicuous and the other hidden;
- Use of a written log or check-out/check-in record controlled by a supervisor or owner of the company;
- Tops of "your" owned covered property cabs painted with unique markings to aid in aerial identification;
- Use of radio frequency technology tracking and recovery system;
- Use of a professional guard service:
 - 24 hours at all times
 - During non-working hours at all times;

- Use of a closed –circuit television surveillance system;
- Use of the following anti-theft device(s):

“We” do not pay for direct physical loss or damage caused by fire or theft, if prior to the fire or theft “you”:

1. Had knowledge of any suspension or impairment in the protective safeguard or system described above and did not notify “us”; or
2. Failed to maintain in complete working order, the protective safeguard or system described above which “you” control.

All other terms and conditions of this policy remain unchanged.
